Humanitarian Intervention: Ideas in Action

Thomas George Weiss

Humanitarian Intervention: Ideas in Action by Thomas G. Weiss and Chris Brown from the London School of Economics and Political Science. This work explores the emergence of humanitarian intervention, a topic of considerable debate. Thomas G. Weiss, in particular, presents a scholarly argument in favor of humanitarian intervention and its importance.

Two recent edited volumes are Humanitarian Intervention in World Politics by CiteSeerX. Humanitarian Intervention has 42 ratings and 3 reviews. Lynn said: "Weiss has written a scholarly book in favor of humanitarian intervention and how impor..."
