Operation Bulbasket: Behind The Lines In Occupied France, 1944

Paul McCue

Operation Bulbasket was carried out in 1944 in occupied France. The task was to carry out raids behind enemy lines by the Special Air Service. Bulbasket was an ill-fated operation by BSquadron, 1st Special Air Service, behind German lines in German occupied France, between June and August 1944. In 1944 the Special Air Service Brigade was formed and consisted of the British 1st Special Air Service. Operation Bulbasket: definition of Operation Bulbasket et.
